Subject: November HCRR Spotlight!!

Good Morning Everyone!

This month I'm thrilled to share with you some GREAT new Individual Providers willing to work in your area!!

NOVEMBER SPOTLIGHT:

A recent new member added to our Referral Registry family is Marie who is bilingual (Spanish/English) female who is available to Mornings & Afternoons in the & Prosser areas. Marie has over 6 years experience working as a caregiver.

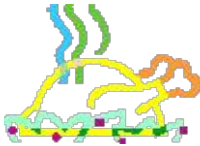

Another recent active member is Valentine!! A new male provider added to our registry. Valentine is available to work Monday –Friday mornings & afternoons. Valentine will work evenings and weekends if needed. Valentine is willing to travel to Toppenish, Zillah, Wapato, Granger, & Buena areas.

We have many other available IP(s) that are interesting in working for your clients. I assist the consumer (a COPEs or MPC client) by filling out most of the application for them based on the information in CARE. I also, contact each provider before sending a list to the client or their representative. This way all of the names on a caregiver list are willing to work for the client's specific schedule and needs. I can also provide the consumer with some technical assistance such as ideas as to interview questions to ask, and things to look for in a provider.

**THANK YOU to
YN AAOA Maryann and Angel
for their October referrals.**

So give me a jingle at 509-829-3905 or feel free to email me with any referral or questions.

Thank you for your time
Happy Thanksgiving!!
